Why don't you try showing us your sweet love love?
The prize is none other than 1 year's worth of free food at the cafeteria!!
BUT IF I CAN GET THAT MYSTERIOUS MOLE, SOMETHING MIGHT CHANGE

YOU'RE TALKING ABOUT HOW THOSE WITH THAT MOLE WON'T HAVE TO WORRY ABOUT GETTING BREAD ON THE TABLE?

"Koi ni Nante Naranai" "End" Appeared in Shoujo Comic August 15, 2008 Issue

Greetings!

Hi, this is Shiraishi Yuki.
This is my 6th volume of manga. Thanks for picking up "Sono Kuchibiru, Itadakimasu!"!
About one year ago, my manager told me, "Make a collection of one-shots!" I immediately refused, but I ended up making it anyway. Well, I do like publishing manga, but at that time, I had my own reasons, and I was also thinking, "Do I really have to?" so I refused.

But now that I'm writing the final page, I'm thinking,
"I'm glad I made this collection of one-shots!"
Really.
I love each and every one of my characters, so if you could love them too, that would be my greatest happiness.

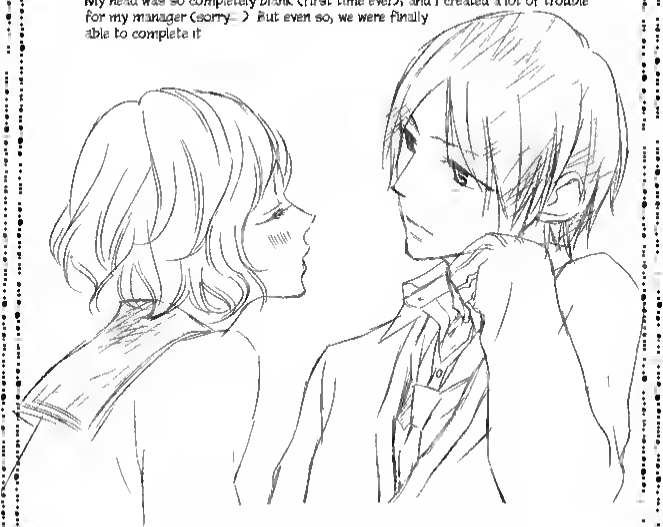
Sono Kuchibiru, Itadakimasu

This work was the first where I had to do the cover and the opening page. Without a doubt, it was the most difficult piece I've ever done.

To be honest, the preparation period was short, and I thought of refusing, but I accepted thinking that, if it was my usual manager, then somehow we would see it through. But, suddenly, my manager was changed. I was completely unnerved. Completely unsettled, I started creating the work with my new manager. It was going well at first, but checking with the manager, I realized that we had completely different ideas for the male character.

In the end, based on the advice I received, he was changed back to what I imagined at first, and the entire thing was flipped completely around. I wanted to cry.

My head was so completely blank (first time ever), and I created a lot of trouble for my manager (sorry...). But even so, we were finally able to complete it.



*T/N: IT ALSO SAYS IT'S FARTED TO/SO, BUT I DON'T THINK THERE'S AN ENGLISH EQUIVALENT

Don't Say "I love You"!

This is the first work I ever did with my previous manager. I was praised for the title, and I received a lot of advice on how to improve my work.
The first time it was checked, it was returned to me with the comment, "There's not enough love!". So I told myself that I would work hard on making a good kiss scene.
My hard work paid off with its good reviews. Also, I received letters praising the kiss scene, and I was so happy I wanted to dance around the room (laugh). I was really happy that, by working hard, I could communicate to my readers what I really wanted them to see.
Oh, and the male character's name is something I got from a friend of mine. "Chikage" is a girl's name, but I thought it was pretty cool, so... (laugh) Thanks to M for telling me!

Narabuna Kiken!!

This was my first 60 page work.

When I was working on my previous 50-pages works, I always thought,

"It's so long!"

"I keep on drawing and drawing, but it doesn't stop!"

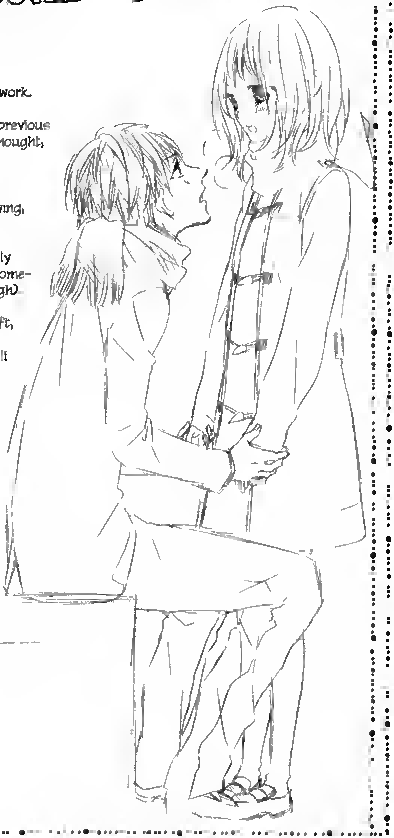
Drawing by myself was really painful, and I just wanted someone, anyone, to talk to (laugh).

When I was drawing the draft, I would put on DVDs of "Gaki no Tsukai" and Ghibli Studio movies to ease the loneliness.

It was really fun drawing this roundabout couple!

And also, the difference in heights!

There were quite a few people who really loved this, which makes me really happy!



Koi Ni Nante Naranai!

This was based off the new summer publication, as well as the high school baseball games I often watch.
This is a love that starts from a lie. I quite enjoyed this story
When I was thinking about this work, my manager at the time told me, "I'm getting married~", and catching some of that happiness, I drew this story
Anyways, I really enjoyed drawing their baseball uniforms! Although there are practically no scenes where they're actually playing baseball

STAFF BLAH

Fishie: And another Shiraishi project finished, I hope you enjoyed it~! Man, how many Shiraishi works have we done now?? xD But since I'm a Shiraishi stalker, there will be a lot more to come xD
WHOS WITH ME!!! xDD

How good was this oneshot compilation!? Damn, they were all sooOo cute!!! My favourite would be Narabuna Kiken <3 Natsume x Mika is so sweet <3 <3 Though I really lurve Takimoto Chikage from Don't Say "I Love You", I ALWAYS like that character type <3 xD

I'm a little sad it's finished though T_T Shiraishi oneshots are the best~ But we still have to finish Ojousama as well as start the Tonari and her newest series Love Zipper to do so look forward to it~!

Once again, if you want to see more releases from us then please join the staff~!!

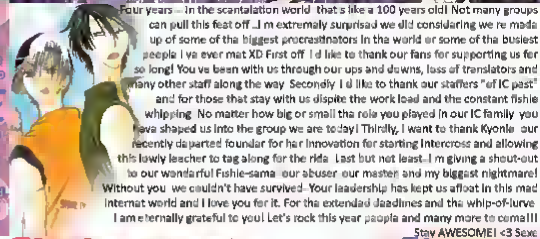
HAPPY 4TH BIRTHDAY INTER ROSS!!!!!!! Thought I'd be longer than I'm stuck to it I'm still able to celebrate my wonderful home run 4 years old in style! Anyhow I'm probably running my butt off a doing a bajillion push ups :D It'll be quite a few more months from new until I'll be able to use the internet again but really I'm honestly not too bothered. I'll still be around whether I'm here or not. The future is never fully predictable, so maybe I will [illegible] I'd like to thank you all for [illegible] time, I would like to thank all of my staff new and old, for sticking with me for a whole 4 years. It has been such a long time. Thank you so much for all that I have done for the group, and thank you FISHIE for tolerating me and pestering so much. I'm sorry for being overly stupid. So to all you readers out there reading this I also lutely love you all and I wish I could give you all hugs. VIRTUAL HUG !!! thank you for supporting us for 4 whole years and keeping us alive. You are the source of our energy :D We would not be around without some support from loving fans. Whether it be [illegible] with our supporting us and most of all, thanks to this community and seen group will flourish [illegible] so much re amazing. So easy on newcomers Fishie xD I finally! I hope you all enjoy the manga you request to read. I'm happy to have left my mark here and I am so proud of everyone on this forum. This has been one hell of an adventure that I'll never forget. Love, xyon kyon's signing off (temporarily~!)



Four years ~ In the scantalation world that's like a 100 years old! Not many groups can pull this feat off ~I am extremely surprised we did considering we're made up of some of the biggest procrastinators In the world or some of the busiest people I've ever met XD First off I'd like to thank our fans for supporting us for so long! You've been with us through our ups and downs, loss of translators and many other staff along the way Secondly I'd like to thank our staffers "of IC past" and for those that stay with us dispite the work load and the constant fishie whipping No matter how big or small the role you played in our IC family you have shaped us into the group we are to day! Thirdly, I want to thank Kyonie our recently departed foundar for her innovation for starting Intercross and allowing this lowly leacher to tag along for the ride Last but not least~I'm giving a shout-out to our wonderful Fishie-sama~ our abuser our master and my biggest nightmare! Without you we couldn't have survived~ Your leadership has kept us afloat in this mad internet world and I love you for it. For the extendaed daadlines and the whip-of-lurve I am eternally grateful to you! Let's rock this year people and many more to come!!
Stay AWESOME! <3 Sexe

Happy Anniversary, Intercross!
Wow, it's hard to believe it's been four years since you've been with us. Time flies by so quickly, doesn't it? It's been a lot of fun for me, and welcome to the coming decade (or two) for Intercross! Fishie, I don't know how I feel about that, to disappear on the Internet for years. It's been great getting to know all of you! You're all kind, amazing people, and our conversations are always very entertaining! Thank you, Fishie, for your support and always! Look forward to all our upcoming silliness! All the best for the year to come~

What?! It's Intercross' birthday? I can't believe time flies by so quickly, don't you think? I just recently joined and still so unfamiliar with the community, I'm interacting with some members. Hahaha! It's still so unbelievable that it has been 4 years? Woah~ So long!!
Anyways~ enough of the chit-chat I wish Intercross a HAPPY HAPPY BIRTHDAY! I'm hoping that the community would last long until FOREVER!!! XD
Just joking!!! But who knows? Someone would continue!
